COUNCILMEN LOOK TO IMPROVEMENTS ON EUCLID, PARK

Pacific Electric To Be Notified That Time Has Come For Action

Improvement of Euclid avenue and development of the city's property east of the hospital as a park were topics mentioned by the city councilmen in their meeting last night.

City Attorney Edward E. Gray was authorized to notify the Pacific Electric that on Jan. 19, the three-months' "grace" period will have expired. On Oct. 19, President O. A. Smith was here to advise the council that it would take time to arrange details with the labor union permitting the company to take up the short strip of rails on Eucild avenue.

WANTS ACTION

"I think it is about time to let the P.E. know we expect some action," said Councilmen Perry Long in referring to the Jan 19 date. Mr. Gray was then authorized by a motion to notify the company.

Placing of the parkway on South Euclid avenue and other avenue improvements are pending removal of the track.

As to the park property on San Bernardino road, the councilmen and the planning commissioners are to inspect the tract soon and definitely decide where approximately 4,000 trees are to be placed. Several years ago a comprehensive park development program was outlined as a WPA project. Detailed landscaping plans made at that time are available and these will be studied as the councilmen make a personal survey of the property.

FROM COUNTY

The trees are available from the county's nursery without any direct cost to the city. An SRA project has been approved for work on the park land.

Richard G. Manley, city manager, suggested that the personal inspection be made. He also reported that H. M. Guy had proposed that a bowling green be developed on the property. In Claremont there is a successfully maintained bowling green, Mr. Manley was informed.

Marionette Show To Be Given Saturday At Upland Library

As a special Christmas treat for young library patrons, Miss Elizabeth Wright, children's librarian, has made arrangements to present a marionette show Saturday afternoon at 2 o'clock, in the Sarah Temple junior library. This will take the place of the regular story hour scheduled. Helen Hughes and Dale Goodban will assist Miss Wright in giving the play, "Little Red Riding Hood". A surprise prologue will add much merriment to the show.

Miss Wright and her helpers are also presenting the show at the Ontario public library on Saturday morning at 10 o'clock, at the invitation of Mrs. Uarda Hocker, children's librarian there.

All children are cordially invited to attend either performance.

Red Hill Seeking 200 Young People In Membership Drive

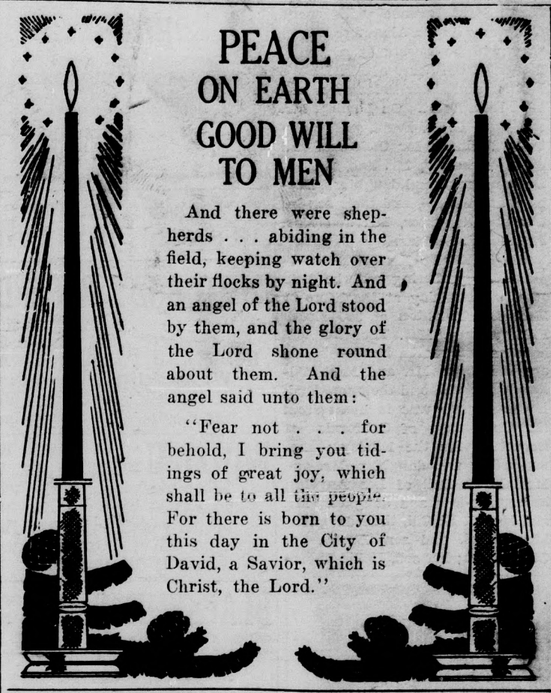

At least 200 associate members are sought for the Red Hill Country club and an urgent appeal for support is being planned by Dr. O. A. Thompson, the new club leader.

The new board of directors has reduced the membership fee for all persons under 30 years of age.

Newman Draper To Be Graduated by Embalming College

Newman Draper, son of Mr. and Mrs. Fred E. Draper, will be graduated tonight by the California College of Embalming.

A special event will be held this evening in the Mayfair hotel, Los Angeles, as a climax to the commencement program.

PEACE ON EARTH GOOD WILL TO MEN

And there were shepherds . . . abiding in the field, keeping watch over their flocks by night. And an angel of the Lord stood by them, and the glory of the Lord shone round about them. And the angel said unto them:

"Fear not . . . for behold, I bring you tidings of great joy, which shall be to all the people. For there is born to you this day in the City of David, a Savior, which is Christ, the Lord."

Mrs. R. A. Martin of Ontario was named president of the Woman's Relief Corps in the annual election conducted yesterday during the corps meeting held in the W.R.C. Memorial hall. Mrs. Martin succeeds Mrs. Dwight F. Gorham, who is concluding her second term.

Other officers elected are Mrs. W. T. Underwood of Upland, senior vice-president; Mrs. Bernice Munro of Fontana, junior vice-president; Mrs. Emma Hamilton, chaplain; Mrs. R. L. DINNER SERVED

Preceding the business session the Corps members and guests, 54 in number, gathered at 11:30 for their annual Christmas dinner.

Green and red decorations, cleverly arranged red berries, greenery and Christmas ornaments were used on the table and throughout the dining hall. A large, brightly lighted Christmas tree added to the Yuletide atmosphere. An exchange of gifts was enjoyed and there also was an offering of white gifts for the Casa Colina home for crippled children.

Heading the dinner committee was Mrs. W. T. Underwood, while Mrs. Leslie Strawn was chairman of the dining-room committee, and Mrs. R. A. Martin and Mrs. C. C. Sachs, the Christmas tree and gifts.

Beginning at 1 p.m., the regular meeting was conducted by Mrs. Gorham, with 14 officers being present to assist. Initiation was held for Mrs. Jewell Keith, newest member of the Corps.

Reports showed 89 calls made during the month, 31 bouquets presented, 12 goodwill bags filled and contributions other than cash, $26.50.

It was announced the Red, White and Blue club will hold its annual January party at the home of Mrs. Ensley on West D street Ontario, and Mrs. Etta Groff of Pomona has invited the club to meet at her home in February.

Party Planned for New Year's Eve

New Year's party of Red Hill Country club will be held Saturday night, Dec. 30, and plans are being made to make it a gala event. Dinner reservations should be made at the club office as early as possible.

City Saves Money As Bids Rejected

The city opened bids the other day on new pipe for use in water department extensions.

The councilmen later rejected the bids and authorized Richard G. Manley, city manager, to "buy on the open market".

He reported at the city council meeting last night that he had bought the pipe at a saving of $1,248 under the lowest price submitted in the bidding.

SECOND CROSSING GUARD EMPLOYED

City Authorizes SRA Employe For Foothill and Campus Location

In response to the appeal from the leaders of the local Mexican colony, a crossing guard will be employed to guard the school children as they cross Foothill boulevard at Campus avenue.

The Upland city council last night ordered the employment of an SRA worker after receiving an appeal from Joe Valadez, president of the local Mexican Honorary Commission.

This is the second school crossing guard to be authorized this month. Previously the council had decided to place an SRA worker on Arrow highway at Fifth avenue to protect the youths going to the elementary school.

"I think the Mexican children deserve the same protection as other children," declared V. H. Wilson in approving of the request.

The crossing guards cost the city "from $8 to $10" a month.

NEW RECORD SET IN MAIL GOING OUT FROM CITY

Postal Employes Will Give Sunday Service To Aid Yule Cheer

An all-time letter cancellation mark is today a new record for the Upland post office. A total of 14,600 cancellations was recorded on Wednesday as the local outgoing mail reached its holiday peak.

And today the incoming mail is nearing its peak while the employes of the local office have the delivery service tuned for maximum performance.

"Every deliverable gift package in the city letter carrier area will be taken to local homes by Christmas eve," Postmaster Orton P. Brady declared this morning.

Persons on the R.F.D. service may call at the post office between 11 and 12 o'clock Sunday morning for any gift parcels that may have arrived for them. All employes necessary to deliver every holiday parcel will be on hand Sunday for the extra service.

It is typical of the local Federal employes to do everything possible to bring Christmas cheer to Uplanders. Even though Sunday precedes Christmas, the postal employes will give their usual service, it is pointed out.

The new cancellation record is more than just another mark for the post office. It is considered an indication of a growth in local business and a slight pick up in commercial activity.

Mr. Brady said the outgoing mail was slightly under normal during early Christmas season. The increase was so rapid and so great during this week, however, that a ney all-time December record is likely, according to the official.

Lions Hear Yule Music at Meeting

Christmas music featured the program of the Upland Lions club meeting yesterday in the Red Hill Country club.

Mrs. Earl H. Johnson, club pianist, presented a quartet composed of Miss Frances Bernard, Miss Peggy Grahame, Roger Moore, and the Rev. Rex. E. Lawhead. Miss Bernard, Miss Grahame, and Mr. Moore also entertained with solos.

The club members were happy to welcome Dr. Bert Foster, who was able to be present after a long absence due to illness. He spoke briefly.

During the luncheon hour, amusing small gifts were exchanged. President Earl L. Wenger presided over the session.

PROGRAMS SUNDAY WILL MARK YULE OBSERVANCE HERE

Upland Churches Will Present Special Musical Events For Public

Special Christmas services and programs will be held at all of the churches in the community Sunday and at least two of the churches will have special services on Christmas day.

The combined choirs of the Methodist church will present the Christmas cantata, "The Christ Child' at that church Sunday evening, beginning at 7:00, and this is expected to be one of the outstanding musical programs. However, the choirs of the other churches also are preparing special musical presentations.

The Methodist choirs will be directed by Mrs. Vera S. Mitchell, with Mrs. Hazel Cassell as organist.

Soloists will be Mrs. Florence Moody, Mrs. Robert Hall, soprano; Miss Elizabeth Wright, alto; E. H. Genung, Clifford Jellison, tenor; Ralph H. Marr, Bert Hendy and Edgar Pierce, bass.

In addition to the contata, the junior high chorus will direct a candle-lighting service for the entire congregation. The young people will give instruction to each one when the candle is presented, the combination being especially effective.

At the Brethren in Christ church the Beulah college chorus will present a program of Christmas and other sacred music Sunday night.

Bethany Union church will have a Christmas program on Sunday afternoon.

At the First Mennonite church "The Nativity" in song and pageantry will be given at 7 p.m. Sunday and special services will be held on Christmas morning.

The choir will present the Christmas cantata, "Bethlehem Echoes" at 7:30 at the Church of the Nazarene.

A vesper program will be given at 4 o'clock Sunday afternoon at the Presbyterian church.

St. Mark's Episcopal church is having special services on both Sunday and Christmas day, the full program for which appears elsewhere in this paper.

$2,078 Received For Euclid Work

Sum of $2,078.12 has been received by the city from the state highway department for use in maintaining Euclid avenue, the councilmen were advised at last night's meeting.

The county has also returned to the city $14,059.06, which had been paid in taxes.

Tree "Stolen" Years Ago Grows Into Beautiful Tree For Yule Decorations

The gracefuly shaped and tall cedar tree that is beautifully lighted in the yard at the home of Mrs. Mary Stewart was "stolen" from the forest area at Lake Arrowhead about a quarter of a century ago, the local woman "admitted" yesterday.

For years the tree has been one of the first here to display Christmas lights and it is generally known that Mrs. Stewart takes unusual interest in the tree and its Christmas attire. She lives at First avenue and D street.

GOES TO ARROWHEAD

I don't believe I have ever before told anyone outside of the family about the tree's history," related the pioneer Upland resident. She has been here about 48 years. "A long time ago, my son took his father and me on a ride to Lake Arrowhead. On arriving we had lunch. We sat under the trees and all about us were hundreds of little twigs shooting up. The soil was rather loose and rocky. Without thinking really what I was doing, I began to casually dig around a group of saplings. The next thing I knew, the little twigs fell over."

Mrs. Stewart said she was reminded by her party that in the forest reservation it was unlawful to take away any trees.

"But what could I do?" she queried in explanation. "I was sure the saplings would not live if I put them back in the ground; so I put two of them in my purse."

PLACED NEAR HOUSE

On arriving home, she sat them in pots. One died. Later the other one was transferred to a place near the house facing on D street.

As soon as it became large enough, the young tree was decorated with lights. Each year, lights have been placed but today the young sapling has stretched into a beautiful tree many feet higher than the house.

"Anyway," she offered, "I have greatly enjoyed watching the tree grow. And I don't believe it was so bad to take it from the forest. Just see what happened to it."

New Thermometer On Station Might Give New Records

A modern thermometer today hangs on the south side of the Santa Fe station. A thief apparently wanted the one that had been daily serving the community for more than a quarter of a century.

Not that the old thermometer wasn't reliable but the new mercury reading device has the general appearance of producing more accurate records.

Anyway, L. A. Fox is pleased with the new device.

Eldon F. Bert Is New City Clerk Succeeding Mehl

Eldon F. Bert, son of Mr. and Mrs. Joe P. Bert, 563 Third avenue, was appointed city clerk last night to succeed Ernest C. Mehl, who had held the position since 1921. Mr. Bert will serve under the appointment until the city election next spring.

In appointing a new city clerk, the cit ycouncil acted at the request of Mr. Mehl, who explained in his resignation submitted Dec. 7, that he desired to be relieved of the clerk's duties in order to devote his full time to the police department.

The new city clerk was to be sworn into office today. He will be at the city hall only a short time, most of the usual clerk's duties being handled at present by deputies. The position pays $10 a month.

TO DISCUSS SALARY

What the city clerk's salary will be with the start of the new term is a matter to be decided soon by the councilmen. The clerk's duties as the city's accounting officer are prescribed by law. A special meeting to discuss the clerk's future salary is scheduled for early in January. The salary is to be specified by ordinance and will be effective from one four-year term to the next term. In response to an inquiry, Mr. Mehl said several people had inquired of him what the city clerk set-up might be at the start of the new term. This might indicate that several candidates will seek the office.

Mr. Bert's name was the only one mentioned last night. After all other municipal business had been presented, Mayor D. J. Cameron asked if the councilmen wanted to act on Mr. Mehl's resignation. After considerable preliminary discussion, Mr. Bert's name was formally presented and unanimously approved by the councilmen.

The councilmen suggested to Mr. Mehl that he give every possible assistance to the new clerk. The official said he would gladly do everything he could to aid.

In holding the two positions—city clerk and police chief—Mr. Mehl received a salary of $175 a month. Of this sum, $10 a month was for city clerk. No mention was made last night of the police chief's pay.

GASOLINE CONTRACT

Charles W. Hall, local Gilmore gasoline distributor, will provide the first grade gasoline to the city at a cost of 11½ cents a gallon and the Union Oil Co. will supply the aviation type of gasoline at 13½ cents a gallon, as the result of the awarding of contracts by the council.

Ten large companies submitted bids. Gilmore and three other companies submitted the 11½ cent price. Since Mr. Hall is the local distributor for Gilmore, this bid was accepted. His company does not produce an aviation type of gasoline.

The city uses about 10,000 gallons of gas annually. The better grade of gas will be used by the police department cars and the fire engine. The other grade will be used by the other municipal cars and trucks.

TO PLACE CONDUIT

A conduit to carry storm water from San Antonio avenue east to the wash is to be placed by the county on Nineteenth street. The council granted the county permission to tear up the street to make the improvement. WPA workers will be assigned to the project.

New City Clerk Is Young But Trained Accountant

ELDON F. BERT
New City Clerk

Even though Upland's new city clerk, Eldon F. Bert, is only 23 years of age, he is a trained accountant and is in the business of keeping books and auditing accounts for various firms in the Chaffey district. A graduate of Beulah college and of Woodbury's Business college, Los Angeles, Mr. Bert has resided in Upland for many years. After being graduated from Beulah college, he studied for a time at Chaffey junior college, later going to the Los Angeles school.

He resides at 563½ Third avenue with his bride of a few weeks. Before her marriage Mrs. Bert was Harriet Bohen, daughter of Mr. and Mrs. W. E. Bohen, 941 Washington boulevard.

He will continue with his private accounting business while city clerk under the appointment.

FIRST 1940 BABY WILL GET PRESENT

S. A. Hospital Will Deduct $25 From Maternity Bill

A more generous welcome than ever will be given the first baby born in the new year at the San Antonio Community hospital.

San Antonio Community hospital management will deduct $25 from the parents' maternity bill, this being an increase over the amounts deducted formerly.

In addition, various business firms and individuals will likely contribute to the annual welcome to the first tot born at the hospital in 1940.

The Upland News is sponsoring the annual welcome to the first baby of the year. Dr. A. A. Aita, hospital superintendent, will be in charge of all arrangements and will decide who gets the prizes in case the race is close.

Persons and firms interested in contributing to the "First Baby Fund" are to contact The News.

CITY'S COST SMALL IN FLOOD PROJECT

Improvements West of Here Will Be Borne by WPA And Zone No. 1

Very little actual cash will be required from the city for its sponsorship of the $105,386 settling basin and flood control project that will start soon in the western part of the city, City Manager Richard G. Manley reported today.

The project was filed four years ago by the city. Under the present set up, the zone No. 1 in the county's flood control district program will actualy assume leadership and bear the principal part of the sponsors' share of the cost, it was explained.

A major part of the project is lowering the level of Benson avenue. At present Benson is higher than are the intersecting streets from Eleventh to Fifteenth. Dirt taken from Benson avenue will be used to raise the level of the intersecting streets. Flood water carried in the future by Benson will be diverted west into the settling basins and wash at various intervals.

ELKS READY FOR CHILDREN'S PARTY

Hundred Children To Be Given Christmas Treat Tonight At Club House

By special invitation, approximately 100 children living in this community will be greeted by Santa Claus and presented with gifts at the Elks Christmas party to be held tonight at 7 o'clock at the Upland Woman's club house.

The club house has been appropriately decorated for the occasion and a shining Christmas tree has been placed.

The scores of toys, collected and repaired during the past two weeks, are ready for distribution.

Names of the invited children —who otherwise would have had no merry Christmas celebration— have been listed according to their age and their preferences, as nearly as possible, and the toys best suited to them have been labeled with their names.

When the toys are distributed tonight, they will be presented only to the ones whose names they bear.

ELKS IN CHARGE

The Elks lodge, with Ray R. Sherwood of Upland in charge is giving the party and Mr. Sherwood states he has had many assistants. The Boy Scouts aided in collecting the used toys from the homes, with Harry Plum, commander of the American Legion post, and other Legion men also doing much of that work. Under the direction of Mr. Plum and Mr. Sherwood, a number of Scouts worked faithfully and efficiently in repairing and painting the toys, which were taken to the club house this morning.

The party itself has been arranged by Mr. Sherwood, who will be in charge and the Boy Scouts who aided in the work will be on hand in uniform to serve as ushers.

SPECIAL PROGRAM

Next in importance to the distribution eof gifts, will be the special program arranged in behalf of the Elks by Mrs. John Andreas.

Christmas music, dancing and singing, the best that could be obtained, will feature the program, and will be provided by students from the Smith-Sennet studio, the Paralta studio and the Dorothy Williams studio all of Ontario. Among the youthful artists from Upland appearing on the program will be Joan Andreas, Louise Fukuda and Donna Jean Luthy.

Does the City Profit?

Craftsmen should not have to pay a high fee for the privilege of working in Upland.

And out-of-town motorists should not be looked upon as a source of revenue.

Yet, it would seem that is quite largely the case here. It is widely recognized that the business license ordinance and the traffic laws are very effective as revenue producers.

The element of income to the city has become too great a factor in the practical application of these laws. Anyone who has built a house here is well aware of the many dollars in fees he has had to pay because of the licenses imposed upon the various craftsmen. Even an individual building his residence by day-labor has been subjected to demands to pay a contractor's license to the city.

Enforcement of the building code assures the community of properly constructed improvements, but the license ordinance tends to place a penalty upon anyone who seeks to make any improvements. The original intent of the license law should be followed—to give police protection to the business firms.

Another feature of the law that has been too much exaggerated is that of levying an unreasonable fee on wholesale concerns delivering merchandise to local stores.

The business license law is a "hang over" of former years, but of late it has become the object of increasing criticism. There even have been stories of how the law was not uniformly enforced, but these may be mere rumors and cannot be supported by fact.

Checking of traffic is necessary, but when the arrests become so numerous and the fines so large that the councilmen themselves are slightly ashamed of the figures, perhaps the situation has gone too far.

For many months The News has acceded to the councilmen's request not to publish the fine totals "because it wouldn't be good advertising for the city". The councilmen are quite right. The present policy, approved and backed by the councilmen, produces more than $1,000 a month. But is this policy for fair enforcement of the law, or for revenue-producing purposes?

Traffic laws to protect the public should be strictly enforced, but the general enforcement policy here should be similar to that of other cities along Foothill boulevard.

All the money from the fines and business licenses goes into the city's general fund. And naturally, the more money that is collected from these sources, the less is the amount that is required as a tax from local property owners. But is this in the long run for the best interests of the city?

From the many comments expressed by residents, we believe that local people would welcome a modification of the license ordinance and would favor less harsh dealing with motorists who pass through the city.

It is timely for a more progressive attitude to prevail here in the city government and in general civic and community affairs. Southern California is going to continue to grow. Upland should be up in front in the procession. A policy of sane civic promotion is a healthy one. An attitude of ultra-conservatism brings stagnation.

Youth's Attitude Toward War

Second and concluding installment of a discourse on youth's attitude toward war is given here today. The author is president of the Wesley Foundation at the University of California, Berkeley, and the son of Mr. and Mrs. W. W. Mather of Upland.

By Leonard W. Mather

"War has already come to America", is what my friend startled me with the other day; and so I asked him what he meant.

"It's this", he said, "American property has been distroyed—the lives of Americans have been jeopardized — the country is seaching for the legislation which will keep us out of this war—that is sending men over there. The war is here in so many ways. Who knows what effects it is having upon individuals?"

"But how can a war in Europe affect you?" I asked.

"It depends, as I see it, upon whether or not the United States enters war. If it does enter the war there are two courses of action open to me, I can go, or I can refuse to go—taking the consequences. As a human being attempting to build a Christian conscience, I cannot participate in war. 'Thou shalt not kill . . . Thou shalt love thy neighbor as thyself.' What possible benefit can it be to kill a million personalities like ourselves because of the madness of a few men? What can a war possibly do other than create a declaration of war disguised as a peace treaty? Let's reason out these questions now, for once in war, reason is spelled with a 't'.

"But I shall refuse to go!" It was easy to see that he meant what he said. "If I must give my life", he continued, "I will give it for a cause in which I believe—not war.

"But in either case, I lose. In either case our plans would be postponed—perhaps destroyed by a force for which there seems to be no control. I say OUR plans. For several years we have planned for the future. Now I ask, 'What future?' So she can be ridiculed by our 'friends' because I cannot go to war? Is it so that I can lose her now? Are plans made but to be broken? Don't you see the sense of utter futility that comes? I feel as a rat caught in a trap. There seems to be nothing to do—just wait. Oh, yes, I'm working in a peace group; I've been in delegations to see our congressmen, and I've written them; I'm helping to fight propaganda which might draw the United States into the conflict. But it's like throwing straws into the wind".

What do you say, dear reader? This is not a fictitious person. I know him well. And I venture there are others like him. Yes, what do you say?

Yule Baskets Will Aid 76 Upland Families In Celebrating Christmas

PEOPLE RESPOND AND EVERYONE TO HAVE FULL DINNER

Materials for approximately 75 substantial family dinners packed into sturdy boxes and awaiting distribution early in the morning give assurance that few, if any, homes in Upland will be without a Christmas dinner.

Under the direction of Mrs. O. A. Thompson, vice-chairman of the Upland Red Cross chapter, and with the assistance of many organizations and individuals, the annual Christmas basket project is being successfully carried on.

Appeals for donations of foods brought generous response from many persons who desired to share with those less fortunate than themselves.

RESPONSE GENEROUS

Mrs. Thompson immediately was given assurance of very substantial donations that included meat for all the baskets by the Elks lodge, all the fresh milk necessary by Shady Grove and Allura Farm dairies; bread for every basket by several wholesale bread firms, and Christmas candies for each basket by the Upland Junior Welfare League.

The other items, the staple groceries, canned goods, home canned fruits, fresh vegetables, etc., were supplied by individuals. Many of the donations were taken directly to the headquarters established at 270 North Second avenue, others were placed in the large boxes kept at the grocery stores for that purpose, and a large collection of all kinds of foods came from the Upland theatre's matinee. Manager Adams generously opened his theatre for the showing of an excellent program of pictures, the only admission being a donation for the Christmas baskets.

With the assistance of Mrs. Lottie Fuller, Red Cross and city nurse, names of the families to be remembered—those in need of financial aid—were listed and the boxes were packed in such a way to give each family a full dinner.

BOXES PACKED

Beginning early this morning Mrs. Thompson and a large number of women who have given freely of their time, began packing the boxes.

In each box are supplies of meat, coffee, milk, candy, oleo, bread, sugar, flour, potatoes, rice, beans, onions, fruit, canned tomatoes, corn, peas, baking powder, fresh vegetables, soap; also numerous miscellaneous canned goods and groceries that were distributed among the boxes.

Early Saturday morning men from the American Legion post, directed by Harry Plum, commander, will take the boxes by truck to the various homes, the boxes being delivered with a hearty "Merry Christmas".

DISTRICT MEETING HELD IN ONTARIO

Sons of Veterans and Woman's Auxiliary Entertain—Charter Returned

The original charter held for many years by Ontario G. A. R. post and surrendered when the post was disbanded by death, is to be hung in the W. R. C. Memorial hall in Ontario, the document having been presented to the Woman's Relief Corps on a recent evening.

Mrs. Lillian Gardner, department secretary for the G. A. R. veterans, who now number only 38 members in this department, presented the charter to Mrs. Dwight F. Gorham, W. R. C. president and custodian of the hall.

Occasion for the presentation was the meeting of District No. 2, Sons of Union Veterans, and the Woman's Auxiliary to the Sons, held at the W. R. C. Memorial hall in Ontario.

Alois Podrasnik camp, Sons of Union Veterans, and the Woman's Auxiliary were the host organizations and F. E. O'Brien of Upland, member of Alois Podrasnik camp and president of District No. 2 presided during the session.

Several national, department and district officers were among the 130 persons present, guests coming from Riverside, Los Angeles, Pasadena, Inglewood, Hollywood, Ontario and Upland.

PROGRAM PRESENTED

During the program Miss Loyal Sturges sang "Gianno Mia" and "Cara Nome" from "Rigoletto", her accompaniment being played by Miss Carolyn Wise. Mrs. Charlotte Turner, national organizer for the Woman's Auxiliary, sang "In the Garden of Tomorrow". She was accompanied by Mrs. Esther Watts of Pasadena.

Speaker of the evening was Herschel R. Griffin of Ontario, a chaplain in the World War and now a lieutenant-colonel in the National Guard. He talked on patriotism, comparing its influence in the Nazi, Fascist and communistic countries with that of the United Staes.

A social hour was enjoyed following the program and refreshments were served.

Next district meeting will be held in Riverside on March 8, 1940.

Advance Bible Class Enjoys Christmas Luncheon Party

Mrs. A. H. Stull and Mrs. James A. Dinger were hostesses at the Christmas party of the Advance Bible class of the Upland Methodist church, held Thursday afternoon in Fellowship hall.

A contributed luncheon opened the party. Table decorations carried out the Christmas motif.

For the program, Mrs. Leon Durham told of interesting Christmas customs and celebrations in countries around the world; Mrs. Ralph H. Marr gave two Christmas readings, and Dr. Samuel Hughes, pastor, entertained with violin solos. Mrs. Marian Cochran, teacher of the class, led the devotions.

During the business session conducted by Mrs. Mary L. Gillingwators, president, it was voted to contribute a comforter to Mrs. Mary Eckerman, Red Cross chairman, to be used in welfare work.

As has been their custom for a number of years, the class members sent $5.00 and a comforter as a Christmas gift to the Yuma Indians. The comforter was given to an Indian bride, and the money will buy a sack of beans for Christmas dinner.

Present at the meeting were Dr. and Mrs. Samuel Hughes, Mrs. Marian Cochran, Mrs. Mary L. Gillingwators, Mrs. L. E. Moser, Mrs. Harvey Longanecker, Mrs. Charles A. Perrin, Mrs. Glenn H. CCC CAMP WINS HIGHEST HONOR IN KEEN COMPETITION

Local Group Chosen Best in Southland on Basis of 25 Points

Winning first place for the second time within three months over all other CCC camps in Southern California and Nevada, the Cucamong CCC camp today is flying a victory flag on its grounds on East Arrow highway.

Once a month all the CCC camps south of Fresno to the Mexican border and in Nevada are judged on the basis of 25 special points. The camp chosen as the most outstanding is permitted to display the victory flag. The camp's record in September gave the local organization the flag for the following month and November's judging again awarded the local camp the distinct honor.

Points judged include cleanliness of the camp, attitude of the enrollees and their performance on and off the construction jobs and almost every phase of activity.

Lt. D. K. Greelis, commanding officer of the camp, today gave the enrollees a high tribute for their performance and camp record.

Nativity Season Is To Be Observed at St. Mark's Church

A day of preparation, a quiet midnight service, and carols on Christmas Day are among the special observances of the Nativity season planned for St. Mark's Episcopal church, according to an announcement by the rector, the Rev. George West Barrett.

Sunday is the last day of the Advent season and will be observed as a period of devotional preparation for Christmas services. At 11 o'clock the rector will preach on the subject, "The Day Before," and music will include the selections, "Comfort Ye" and "Every Valley" from Handel's Messiah, sung by the choirmaster, Herbert E. Gray.

Two services of Holy Communion are scheduled for Christmas Day at 7:30 and 9:30 a.m. At the later service music will be led by the choir with Mrs. George Gregg at the organ. Music includes the anthem, "It Came Upon a Midnight Clear" (Speaks-Dels) Carols at 9:10 will preceed the service.

ACCIDENTS DISCUSSED

Causes of traffic accidents and what to do when they occur were discussed at the meeting held Monday night in the Firemen's hall by the Alta Loma Cimmunity club, and the topic proved a popular one, approximately 60 persons being present for the program.

Twenty-six members of the club attended the dinner that preceded the program, with Boy Scouts of Alta Loma troop and numerous other guests coming in later for the program.

Captain Frank Freeman of the state motor patrol and Louis E. Kronmeyer were the speakers, each illustrating his talk with pictures of motor accidents that have occurred in this vicinity.

Operating the two types of projection machines used by the speakers were Oran Davis and Ranger Skinner.

The officers pointed out the causes of the accidents shown in the pictures, how they might have been avoided and what should be done in like emergencies, such as first aid to the injured, calling ambulances, notifying police, etc.

John McKee, president of the club, opened the meeting following the dinner, and after dispensing with the business session, turned the meeting over to Gordon A. Billings, program chairman, who presented the speakers.

There are sixty-two voluntary local tuberculosis associations in California, all devoting their full-time and energy to fighting tuberculosis. The annual Christmas Seal sale is the sole means of supporting the programs of these associations.

Holt of 353 East Eleventh street. On Christmas day Mrs. Holt will have as other guests, her son-in-law and daughter, Mr. and Mrs. Arthur Littlejohns, and their children, Phyllis, Arthur, Jr. and Lois, of Laguna Beach; her daughter, Mrs. Ruhamah Hedges Lawton of San Bernardino ,and her children, Harry and Jean; her son and daughter-in-law, Mr. and Mrs. Harry Hedges, and their children, Harie. and John, of Laguna Beach; Carl Nelson and his son, Carl Nelson, Jr. of Los Angeles, formerly of Upland, and perhaps several other friends.

Interesting Notes On This and That At Local Library

PORTUGAL ON DISPLAY

An interesting bit of material on one European country from which the world is hearing little, occupies the exhibit case of the Upland public library. The country is Portugal. One pamphlet contains words of the Prime Minister: "Salaza, Prime Minister of Portugal, says . . ."

"California and the Portuguese", how the Portuguese helped to build up California, is a monograph written for the Golden Gate International exposition. "Portugal, the New State in Theory and Practice", and "The New Corporative State of Portugal" should explain current politics. A map or chart, showing the names of the Portuguese who took part in the discovery of the American continent, is also included. It indicates the dates of achievements and the lands explored by the Portuguese.

Several books on the country are also available.

WHAT'S NEW IN THE MAGAZINES

Keeping abreast of the best in magazines should be an easy task if the advice of a Council of Librarians is followed. December issues contain the following: "Hitler Told Me This", by Rauschnig, in the American Mercury; "Man Who Gave Us Christmas", by Kirkland, in the Atlantic Monthly; "France Makes Up Her Mind", by V. M. Dean, also in the Atlantic, and "Washington, a National Disgrace", by M. J. Pusey, in the Forum.

LEAVES FROM THE LIBRARY NOTES

One patron, on seeing the glorious fall coloring in the yellow maple leaves which decorate the library lawn, called at the desk to leave this suggestion. Sprays from fall trees, or even separate colorful leaves make a charming decoration, and one which lasts well, if the sprays are first brushed over with a warm iron on which rosin has been rubbed. If the home boasts a budding violin virtuoso, a bit of rosin is always at hand.

Dudley Campbell arrived in Upland Wednesday evening from Berkeley, where he is a student at the University of California, and will spend the Christmas vacation with his parents, Mr. and Mrs. Campbell of 433 North Third avenue.

The little girls accompanied their uncle and aunt home last Sunday, and became ill during the week. The physician called diagnosed their illness as scarlet fever. They will be quarantined for at least three weeks.
